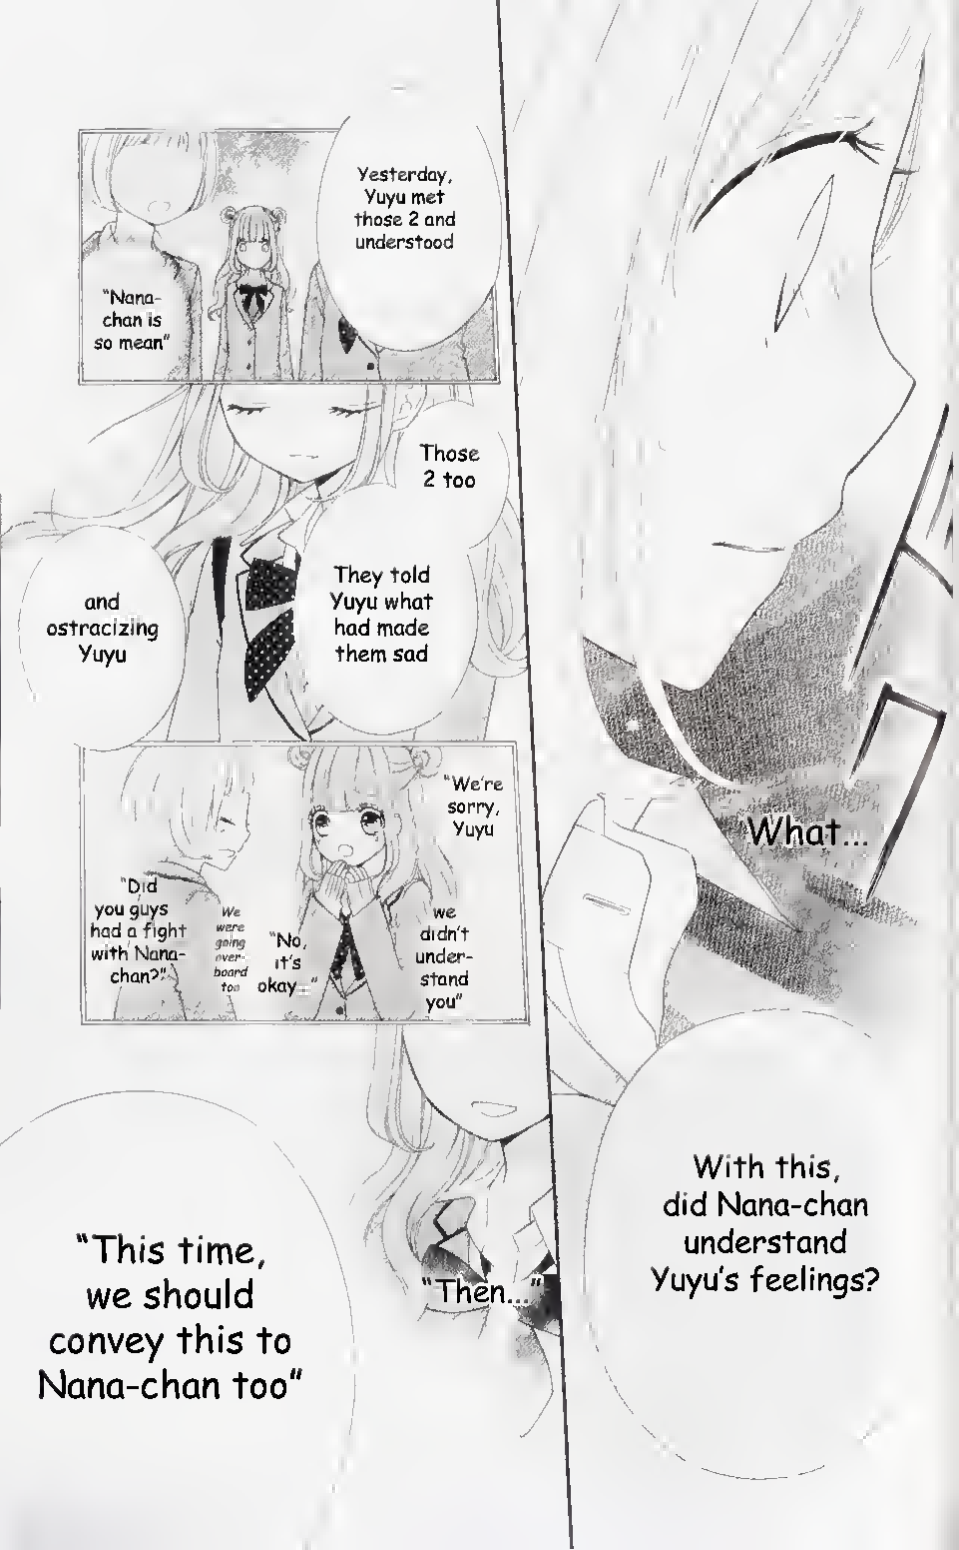
What the heck, that's hilarious!
and then~
a ha ha
I'm going to the toilet, okay
Eh?
Did someone talk just now?

A ha ha
No one~!
I see, sorry~
No
I hate this
Why are they doing some-thing like this...!?
Not one sided like this, If you have something to talk, just say it
About that time too
Let's talk, okay?
Ano

Let's go home~
What are yau talking abaut?
mis-under..
What should I do

are you okay?
Yuyu...
Nana-chan
but it's the same thing that Nana-chan did to Yuyu
being ignored, Nana-chan must be sad, right
eh...?



Yesterday, Yuyu met those 2 and understood
"Nana-chan is so mean"
Those 2 too
They told Yuyu what had made them sad
and ostracizing Yuyu
"We're sorry, Yuyu
we didn't under-stand you"
"No, it's okay..."
We were going over-board too
"Did you guys had a fight with Nana-chan?"
What...
With this, did Nana-chan understand Yuyu's feelings?
"Then..."
"This time, we should convey this to Nana-chan too"

It's okay
Wrong ...!
I've told them that they were wro..
by fighting, everyone can understand that each other is important after all
But Yuyu wants everyone to make up!
If Nana-chan apologize
everyone will forgive Nana-chan
and I'm sorry
Saying that you love them

they are magic words ♡
I have to apologize to get them forgive me?
after all they did
Let's make up with everyone, okay
it's difficult for Yuyu too if it's keep being like this...

I didn't do anything wrong
why I have to apologize!?
something like that is wrong

So we were leting her to talk to you, but...
Let's go
Hee~
Yuyu-chan said that she understands your feeling
Since that, we aren't talking at all
let's do this
do the prepa-ration
Okay, experiment start

pick up the beakers, please?

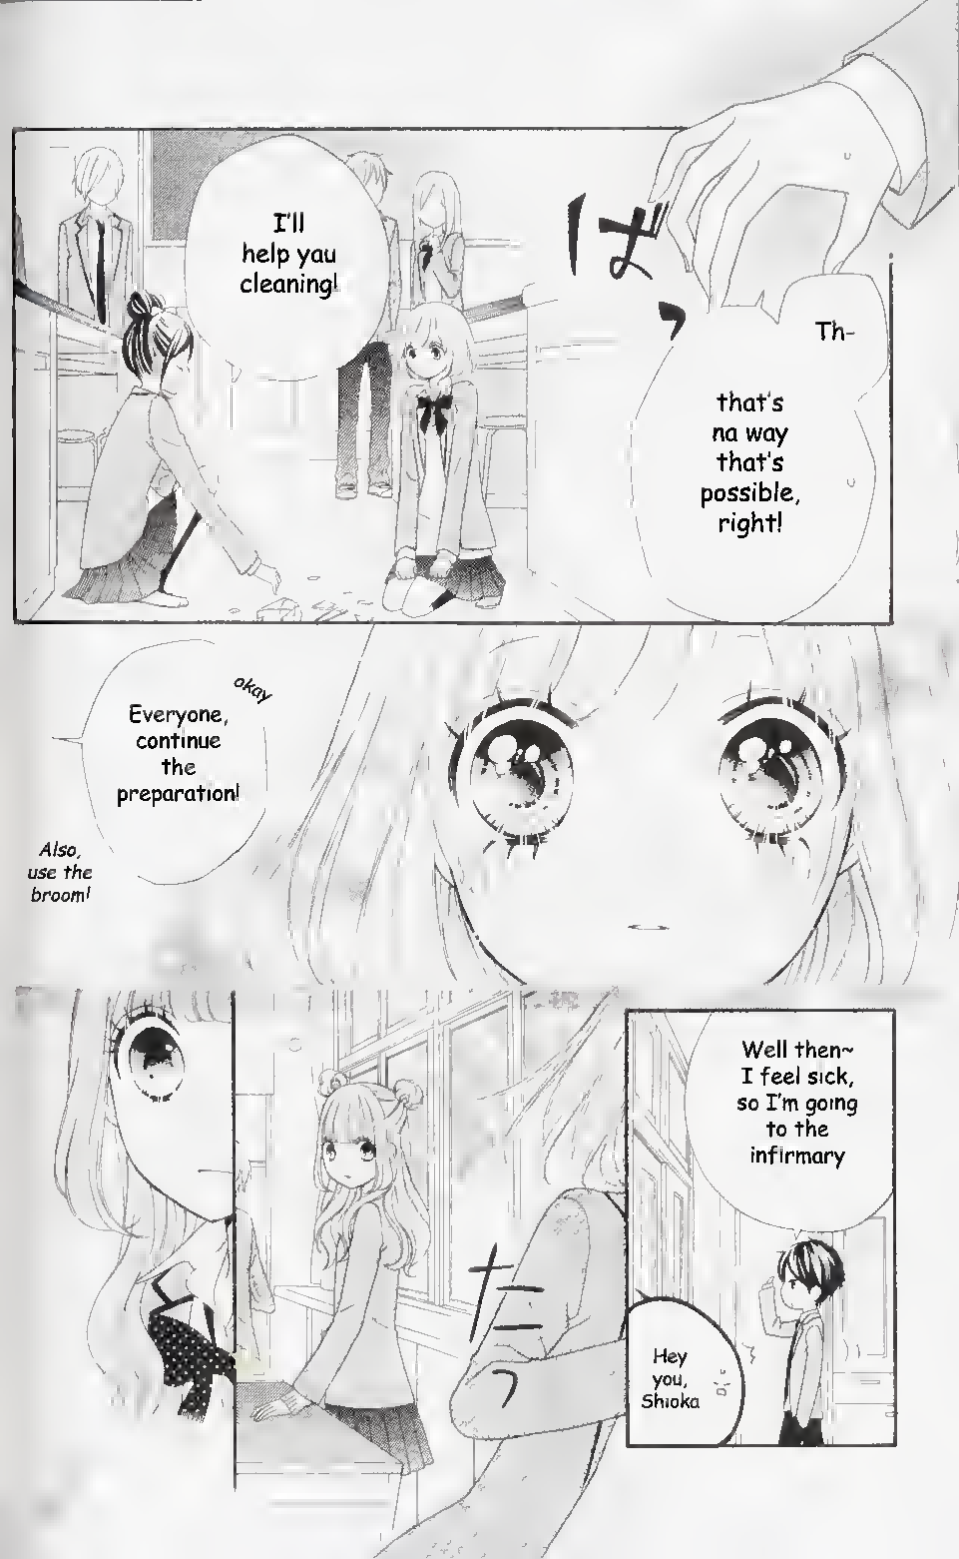
I saw you purposely bumping her
Eh..
Really?



I'll help yau cleaning!
Th-
that's na way that's possible, right!
Everyone, continue the preparation!
okay
Also, use the broom!
Well then~ I feel sick, so I'm going to the infirmary
Hey you, Shioka

Shioka-kun!

Shioka-kun
Yuyu wonders why did he help Nana-chan
What the hell is that Shioko!
doing that in front of everyone!
He really piss me off!
Right~!
But
Yuyu tells this only to you guys...
She really does like boys!?
Eeeeh!?
You're right! Isn't that weird!?
Only to Shioka-kun that Nana-chan talks often, right?
Come to think of it

Yuyu
loves Shioka-kun, perhaps ♡
Eh!?
...well then

will support your love, Yuyu-chan
Three of us
From now
anyone except Yuyu-chan is prohibited to get along well with Shioka-kun, okay
